

# Who Wants to Be a Millionaire?

A worker who  
begins depositing  
**\$5,000**  
a year in an IRA  
account at age 25...

And earns a  
conservative  
**8%**  
rate of return over  
the lifetime of the  
investment ...

Will have  
**\$1,290,282**  
for retirement by  
age 64.
